Cracking The Dream Code, written by world renowned Dream Expert Lauri Quinn Loewenberg is the only dream book out there that shows you how to figure out your dreams by simply looking at yesterday. It is an all-in-one dream book broken into four sections. The Dream CODE take it off the road. "If I hadn't had that dream, I'm certain both my friend and I would be dead" This is the sort of dream that mystifies, enralls and fascinates us, especially those who do not know or understand what dreams are about. This is an example of a dream warning. It tells of danger ahead. The thing to do is: I have been reading your book and when I had a dream that otherwise would have thrown me for a loop, it gave me insight as to how to act next in a business situation that could actually save many jobs within my company. Thanks Lauri! – Victoria, Las Vegas; I LOVE your book Cracking The Dream Code... I refer to it almost every morning!
